Power Transmission Engineering®

Advertise in the **SPS|IMTS 2024** **Exhibitor Show Stoppers!**

(Featured in the *PTE* August 2024 issue)

This is industry's big event; let us help you make the most of your investment!

You've made the investment into booth space, staff and travel, now for just \$895 more you can help make sure it pays off!

- With over 1.2 million square feet of exhibit space and over 2,000 exhibitors, it's easy to get lost at this show. Make sure those most likely to buy from you know that you're at the show and set aside time to talk to you.
- Reinforce your brand with the thousands of mechanical component buyers who won't make it to Chicago but look to *Power Transmission Engineering* show coverage for what is new and what they might be missing. Only *PTE* can deliver that message to the mechanical component buyers you want.

Only *PTE* can deliver that message to the PT component buyers you want.

To book your Show Stoppers ad, simply complete the form on the last page and send it in as soon as possible.

BONUS!

In addition to the print issue, a special e-edition of our Show Guide and the Show Stoppers will broadcast prior to the show including your ads at no additional charge.

Basic ad design and development is available on request at no additional charge.

Submit your order or contact Dave Friedman (friedman@agma.org) today for more information.
