

Power Transmission Engineering

2023 SHOW STOPPERS

MOTION + POWER
TECHNOLOGY EXPO

Power Transmission
Engineering is POWERED
by The American Gear
Manufacturers Association

Power Transmission Engineering®

Advertise in the 2023 M+PT Exhibitor Showstoppers special advertising section.

(Featured in our show coverage in the October issue of *PTE* and the August and September/October issues of *Gear Technology*!)

Motion + Power Technology Expo

(formerly Gear Expo) is the industry's big event; let us help you make the most of your investment.

You've made the investment into booth space, staff and travel, now for just \$795 more you can help make sure it pays off!

- Make sure your customers and prospects know you're at the show and attendees set aside time to talk to you.
- Reinforce your brand with the thousands of gear and gear drive buyers that won't make it to Motion + Power Technology Expo but look to *Power Transmission Engineering* show coverage for what is new and what they might be missing.

Only *PTE* can deliver that message directly to the gear and gear drive buyers you want.

To book your Show Stopper ad, simply complete the form on the last page and send it in as soon as possible.

BONUS! In addition to the print issue, a special e-edition of our Show Guide and the Show Stoppers will broadcast prior to the show including your ads at no additional charge.

Basic ad design and development is available on request at no additional charge.

Submit your order or contact Dave Friedman (friedman@agma.org) today for more information.
