60 Years on the Cutting Edge

Southern Gear

Then and ...

Southern Gear & Machine is celebrating 60 years of leading the way in custom precision gear manufacturing. Our ongoing investment in technology and personnel keeps us on the cutting edge of gear manufacturing, providing the highest quality gears to the world's most demanding industries.

NOW

- Our machinists and engineers have an average of 26 years of experience in gear manufacturing.
- Our employees have been with our company an average of 15 years.
- We have more than 50 gear cutting machines alone.
- We have invested close to one million dollars in new equipment each year for the past six years.

LEARN ABOUT YOUR SUPPLIERS

The editors of Power Transmission Engineering and Gear Technology will be conducting live interviews with the technical experts and product specialists of suppliers in the gear industry.

- Hear the story before we even write it.
- Help us get the answers you need by asking your own questions from the audience.

Interviews will take place throughout the show, so stop by the booth early to get a schedule.
