

**PTE Videos:** The Maxon DCX motor line offers significant power density (torque/motor volume ratio) and robust construction with a worldwide patented ironless rotor. Check out a behind-the-scenes video of the Maxon DCX currently at [www.powertransmission.com](http://www.powertransmission.com).

**LinkedIn:** Hannover Messe 2014 will be presenting the fourth Robotics Award in April. Join PTE's LinkedIn page for information on the products, breakthroughs, solutions and projects that will be considered for this award. Deadline for entry is February 21, 2014 ([www.linkedin.com/groups?home=&gid=2950055&trk=anet\\_ug\\_hm](http://www.linkedin.com/groups?home=&gid=2950055&trk=anet_ug_hm)).

**PTE Facebook:** The 2014 NFPA Annual Conference takes place February 3-5 in Florida. For registration, schedule and additional information log-on to the PTE Facebook page (<https://www.facebook.com/pages/Power-Transmission-Engineering/109042075794176>).

**Twitter:** The PTE Twitter feed keeps readers up-to-date on the latest products and services available to the PT community. Recent products from Aerotech, Voith, SKF, AutomationDirect and Steinmeyer are currently online. Join us at <https://twitter.com/PowerTransMag>.

**Ask the Expert:** Do you have a question about gears, bearings, motors, clutches couplings or other mechanical power transmission or motion control devices? Submit your questions to our panel of experts at: [www.powertransmission.com/asktheexpert.php](http://www.powertransmission.com/asktheexpert.php).
