

# 2017 PTE Buyers Guide

## About This Directory

The 2017 *Power Transmission Engineering* Buyers Guide was compiled to provide you with a handy resource containing the contact information for significant suppliers of power transmission components.

ACCESSORIES .....	34
ACTUATORS .....	36
ADJUSTABLE SPEED DRIVES .....	37
BEARINGS .....	39
BELTING & BELT DRIVES .....	40
BRAKES .....	42
CHAIN & CHAIN DRIVES .....	43
CLUTCHES .....	44
CONTROLS .....	45
COUPLINGS & U-JOINTS .....	47
FLUID POWER .....	49
GEAR DRIVES .....	49
GEAR MANUFACTURING SERVICES .....	52
GEARS .....	54
INDUSTRIAL HARDWARE AND MACHINE PARTS .....	56
LINEAR MOTION DEVICES .....	57
LUBRICATION .....	58
MOTORS .....	58
RESOURCES .....	60
SEALS .....	60
SENSORS .....	61
SOFTWARE .....	61

**Bold Listings** throughout the Buyers Guide indicate that a company has an advertisement in this issue of *Power Transmission Engineering*.

## How to Get Listed in the Buyers Guide

Although every effort has been made to ensure that this Buyers Guide is as comprehensive, complete and accurate as possible, some companies may have been inadvertently omitted. If you'd like to add your company to the directory, we welcome you. Please visit [www.powertransmission.com/getlisted.php](http://www.powertransmission.com/getlisted.php) to fill out a short form with your company information and Buyers Guide categories. These listings will appear online at [www.powertransmission.com](http://www.powertransmission.com), and those listed online will automatically appear in next year's printed Buyers Guide.

## Handy Online Resources

The *Power Transmission Engineering* Buyers Guide – The listings printed here are just the basics. Visit our online buyers guide for the most comprehensive directory of suppliers of gears, bearings, motors, clutches, couplings, gear drives and other mechanical power transmission components, broken down into sub-category by type of product manufactured:

[www.powertransmission.com/directory/](http://www.powertransmission.com/directory/)

**The Gear Industry Buyers Guide** – If you manufacture gears or need information on suppliers of machine tools, tooling and services for gear manufacturers, please visit the buyers guide on *Gear Technology's* website:

[www.geartechnology.com/dir/](http://www.geartechnology.com/dir/)
