

Quality Bearings & Components (QBC)

Quality, Performance, and Value

Quality Bearings & Components (QBC) specializes in bearings and bearing related products and services.

With quick global sourcing, comprehensive bearing services, customization, and competitive pricing we surpass customer expectations for quality and service.

As an authorized stocking distributor for many of the world's most recognized bearings and linear motion products manufacturers we have access to a wide variety of components, including Thomson's Super Smart Ball Bushing™ Bearings & Pillow Blocks, ball bearings, pressbearings, sleeve bearings, thrust bearings, spherical bearings, rod ends, and much more. Technical information and product specifications are easily found at: www.qbcbearings.com.

QBC not only supplies bearings, but also the tools to ensure years of service and peak performance. For more than 10 years we have

been a BEGA Special Tools distributor. BEGA manufactures a wide range of specialized, high-quality tools for safe and economical solutions for mounting and dismantling of bearings and transmission parts. Select from Fitting Tools, Induction Heaters, Mechanical and Hydraulic Pullers, and Condition and Monitoring Tools.

When it comes to bearings, QBC has the products, expert knowledge and specialized services to provide you the best possible solution for your applications. We look forward to working with you!
